

VELOR DOORMATS

High-quality velor doormats provided an aesthetic appearance and comfort of use. The offer includes complete sets of doormats perfectly matched to the dedicated car and easy to keep clean.

The doormats have a rubberized bottom layer and additional stoppers in the front doormats fitted the factory locations in the car, so the doormat always stays in place. Additionally, the driver's doormat has reinforcement under the feet for long-term use.

NEW!

Features of the offered velor doormats:

- **thickness:**
6,5 mm

- **weight:**
2250 g/m²

- **material:**
needle-punched velor

- **bottom layer:**
rough rubberized anti-slip coating
